New Releases in Horror

***Birdwatcher 2* by Ann Greyson: Available December 18, 2024**

Birdwatcher 2 is the next outstanding novel in Ann Greyson's *Birdwatcher* series, a ghost thriller that careens through the Poconos and deep into the psyche of serial killer Joey Marks. And Detective Philip Silverwood is the hard-nosed, relentless pursuer of justice bent on capturing the killer on the run.

A demonic presence haunts the cabin on Wagon Trail Road in East Stroudsburg, additionally to possessing the fragile soul of Abigail Wincoff. With the assistance of Reverend Claude Bonanni, Abigail's mother is determined to free her daughter's spirit from this evil entity. Through Abigail's talent for astral projection, the demon will take many forms before the climactic spiritual showdown comes.
