7. The Lonely Vampire

Myrna Ivester feels unsure of her choices in life until Ileana Vladislava, a lonely vampire, encounters her and changes her life forever.

This folklore horror style novel is about Ileana Vladislava, a vampire who flees Transylvania in 1578 in the midst of eradicating vampires from the region and reestablishes herself in Newcastle upon Tyne, a city in Tyne and Wear, England. Hundreds of years later, Ileana lives out a lonely existence in Wightwick Hall, a castle within the Jesmond Dene woodland valley.

When Ileana sees the young and beautiful Myrna Ivester at a public library, there is something about her that sets her apart from anyone else. She decides to take a risk and transform Myrna into a vampire believing it is her destiny. With the impending threat against the vampires by Claymor, a vampire hunter in the form of a grudge-bearing werewolf, the war between good and evil finds a new battlefield in Newcastle upon Tyne.
