Press Release

October 29, 2025

26th Annual Dia De Los Muertos - Hollywood Forever

"Their attacker was the original carrier of a communicable disease that reanimates dead tissue. Now the virus would spread through Mexico. And one thing was for certain, there would be no celebrating this day of the dead."

Posted By: HorrO

-Ann Greyson, Never-DEAD

Multi-award-winning indie author **Ann Greyson**, known for writing in the sci-fi, historical fiction and horror genres, will be at the *26th Annual Dia De Los Muertos* promoting her horror novels, “Never-DEAD,” “The Lonely Vampire,” and “Birdwatcher” and “Birdwatcher 2,” signed paperback giveaways will be available on site, which were used as props in the *Birdwatcher (Book Series Endorsement)*, a video presentation by **Mia Victoria Ramirez** posted on YouTube. **Mia Victoria Ramirez** was a Spokesmodel for a brand-new campaign for Pinultimate – As Seen on TikTok | VictoriaMadHeart [victoria.mad.heart]) Additionally, the sci-fi adventurous comedy “SpaceWoman,” **Ann Greyson’s** 7th book in the completion/editing phase, is set to release this December 2025.

Celebrating the Day of the Dead on the cemetery grounds of Hollywood Forever, this entertaining event has arts & crafts and culinary vendors, music, and Aztec ritual dancers. Hollywood Forever hosts this largest celebration in the United States of one of Mexico’s most colorful traditional holidays in their historic cemetery, a resting place of hundreds of Hollywood legends, including Judy Garland, Cecil B. DeMille, and Rudolph Valentino.

Saturday, November 1, 2025
