The Lonely Vampire by Ann Greyson

Paranormal Fairy Tale

This fairy tale style novel is about Ileana Vladislava, a vampire who flees Transylvania in 1578 in the midst of a vampire witch hunt and reestablishes herself in Newcastle upon Tyne, a city in Tyne and Wear, England. Hundreds of years later, Ileana lives out a lonely existence in Wightwick Hall, a castle within the Jesmond Dene woodland valley. When Ileana sees the young and beautiful Myrna Ivester at a public library, there is something about her that sets her apart from anyone else. She decides to take a risk and transform Myrna into a vampire believing it is her destiny. With the impending threat against the vampires by Claymor, a vampire hunter in the form of a grudge bearing werewolf, the war between good and evil finds a new battlefield in Newcastle upon Tyne.

Rating & Review

4 out of 5 fairies

The Lonely Vampire is as mesmerizing as Ileana's eyes. Starting with a witch hunt to wipe out vampires, before coming into the 21st century, this is a story with grudges, love, friendship, and a twenty-something just trying to find her way in life. Myrna isn't really sure where her life is going, and while she loves living with her best friend, she knows something is missing. Ileana has lived alone for so long, and Myrna may just be the cure for that. Dodging Claymor the werewolf and a nosey neighbor provides plenty of tension. The pacing is even, and you can't help but feel sorry for Ileana and hope that she and Myrna find their happy endings.
